

As of Friday, March 20, 2020, the following updates are in effect:

- Platinum, Gold and Silver residential meal plans will now be able to use a regular meal swipe at the Wildcat Den and order from the X-change menu, rather than having to use an X-change meal. (Prior could only use an X-change meal, so number of meals at the WCD was limited. Platinum 6 per week, Gold 4 per week and Silver 2 per week).
- The Bronze meal plan has been enhanced with an additional (4) four meals each week, and all meals can be used either at the Wildcat Den, order from the X-change menu, or at the Northern Lights Dining facility. (Prior could only use 10 swipes per week at NLD, with no meals at the WCD).
- Northern Lights Dining-Exclusive Walk-Up Carry Out Service: Students will now stop at the entrance of the Lights, scan their card, and will then tell a Dining team member which two main entrees and three extra items they would like from that meal period. A Dining team member will fill out an order slip and gather all of the items for that guest. Once the order has been compiled, the Dining team member will hand the student their take-out order, eliminating the need for that guest to enter the facility.

The primary goals of these changes are to ensure that the dietary needs of our students are well taken care of while providing as many options as safely possible, and to protect our staff and guests by further promoting social distancing with our service style.

Operational Hours by location:

- Northern Lights Dining 8a-9p daily. Breakfast packs are available 7 am - 9 am.
- Wildcat Den 11a-10p daily.
- Temaki/Smoothie King 8a-8p Monday – Friday, Noon – 8p Saturday, Closed Sunday.

NMU Student & Guests Dining Responsibilities Regarding Prevention

- a. KNOW THE SYMPTOMS FEVER, COUGH & SHORTNESS OF BREATH. Symptoms may appear in 2 to 14 days.
- b. Know how it spreads: The virus is thought to spread mainly from person-to-person. Between people who are in close contact with one another (within about 6 feet). Through respiratory droplets produced when an infected person coughs or sneezes. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Keep in mind it can also spread through fecal route, so it is vital that you wash your hands after all bathroom usage.
- c. If you are sick, use NMU Dining Sick Tray Policy! Do not come to any dining facility or outlet. Stay in your dorm room. See NMU Sick Tray Policy guidelines at nmu.edu/dining
- d. If your suite-mate, friend, classmate, guest, etc. are sick tell them to use our Sick Tray Meal options.
- e. Wash your hands with soap and water and/or use hand sanitizer once entering any NMU Dining Facility or outlet.
- f. Cover nose & mouth when coughing and sneezing with a tissue or napkin (or an elbow or shoulder if no tissue is available), then immediately dispose of the tissue or napkin and properly wash hands.
- g. Read guidelines for: proper hand washing, and staying home/in dorm room when sick.
- h. Avoid touching your eyes, nose and mouth with unwashed hands. If do you rewash them.
- i. Avoid sharing cups, eating utensils, and dishes with anyone.
- j. Do not bring in reusable mugs, cups, etc. for refills. This includes the NMU Reusable Mug and water bottles, etc.
- k. Do not reuse and glass, cup, etc. Get a new glass/cup each time you get soda, milk, coffee, tea, juice, etc.
- l. Know you can help us by wiping down tables/chairs/napkin holders/salt & pepper shakers prior to use.
